Re:

Dear partner,

We hereby inform you that the results of technical audit carried out on March 18~21, 2019 are positive in the frameworks of manufacturing the following items: Ball, Gate, Globe, Check, Butterfly and Power Station valves, size range of 1/2 inch up to 60 inch, pressure rating of 150LB~2500LB, capable material for carbon steel, stainless steel, duplex stainless steel, alloy steel etc., design temperature of -196~ 650 °C.

In order to finalize qualification procedure, we kindly ask you to finish the following qualification procedures at e-commerce platform b2b.sibur.ru

KB 233441	П1_101_01 Industrial pipelines valves
KB 233484	П1_101_01_01_05 Globe valves made of carbon and corrosion-resistant steels (i.e. non-standard valves without table figure)
KB 233382	П1_101_01_03_04 Butterfly valves made of carbon and corrosion-resistant steels (i.e. non-standard valves without table figure)

Sincerely,

Michail Kiryanov
Head of procurement department

Encl. How to become Sibur's supplier - manual?
